

DRIVEN BY POSSIBILITY™

SMART CRIMPER GC96 TSi™

INTUITIVE SMART CRIMPING

OUR MOST ADVANCED & VERSATILE SMART CRIMPER FOR ROCK-SOLID, LEAK-FREE, FACTORY-QUALITY HOSE ASSEMBLIES. EVERY TIME.

NEW UPDATES:

EASY TO USE TOUCH SCREEN TABLET CONTROL PANEL

- Never worry about tablet battery life with the magnetic charge port for constant power
- Removable tablet for live feedback visual diagnostics and easier portability for machine updates that don't have constant WiFi access

SIMPLIFIED REAR MOUNTED MIRROR

- Improved visibility for safe and effective crimping

UPGRADED PROPORTIONAL RELIEF VALVE

- Prevents contaminant build-up for improved flow

GC96 TSi™ FEATURES + BENEFITS

- Intuitive icon-based navigation using a touch-screen tablet control panel
- On-board Gates eCrimp™ specifications – continually updated via WiFi for the most efficient access to the crimp spec
- Simplified use with advanced automatic crimp functionality
 - Pinch decompression measurement feature assures crimp OD is within tolerance
 - Standard with quick change tool for simple die loading
 - Reduced maintenance with a self-lubricating crimper head using high-compression grease
 - Improved assembly speed with a pre-filled valve for fast attack
 - Easier loading with horizontal crimping

PRODUCT SPECIFICATIONS

Factory-quality crimping of all Gates® couplings including short bend, block and other complex couplings.

HOSE SIZE	3" 6-spiral hose
	6" industrial
ELECTRICAL	220v - Single Phase
	NEMA L6-20 connector
CRIMPING FORCE	690 radial tons
RATED WORKING PRESSURE (MAX)	4,800 psi (330 bar)
WARRANTY	2 years
PART NO.	7480-9003
WEIGHT	1,380lbs (626kgs)
DIMENSIONS	32-1/4" x 23" x 38-1/2"
	82cm x 58cm x 98cm

HIGH-QUALITY ASSEMBLIES EVERY TIME

The most advanced hydraulic hose crimpers available – designed EXCLUSIVELY to assemble Gates products using an intuitive touch-screen control panel accessing continuously updated Gates eCrimp™ specifications.

INTUITIVE TABLET CONTROL PANEL

- Simple touch-screen selections – including saving popular assemblies as ‘Favorites’ for quick access
- Quick access to crimper specific training materials

SIMPLIFIED MAINTENANCE

- Self-greasing ratcheting head
- Step by step calibration guide and maintenance log

DIGITAL CRIMP SPEC VERIFICATION

- Have confidence in your assembly with an on-screen verification of the proper crimp

ONBOARD GATES eCRIMP™

- Always have the latest crimp specs at your fingertips, continuously updated via WiFi

eCrimp™

eCrimp™ Mobile App

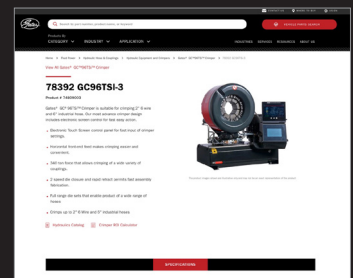

Gates exclusive database containing the most up-to-date specifications for Gates hydraulic and industrial hose products including crimping instructions, crimp diameter and maintenance/troubleshooting information. Gates “Smart Crimpers” internally source eCrimp™ - with continuous updates via WiFi - for the most current product and crimp data available.
